Affirmation and Liability Release

Please read carefully before signing.

I have been advised and am informed that there are inherent hazards in practicing Aikido. I understand that Aikido is a martial art which involves physical contact, falling, stretching, tumbling, and strenuous body movement. I understand that occasional injuries occur and are a risk in taking part. I hereby personally assume all risk in connection with my Aikido practice for any harm, injury or damage that may befall me as a result of my participation, whether foreseen or unforeseen. Despite these hazards, I wish to proceed with Aikido practice.

I further state that I am of lawful age and legally competent to sign this affirmation and release, or that I have acquired the written consent of my parents or guardians; that I understand the terms herein are contractual and not a mere recital and that I have signed this document of my own free act. It is my intention by this instrument to exempt Puget Sound Aikikai and all persons associated therewith from all liability whatsoever for personal injury, property damage, or wrongful death caused by negligence.

I have fully informed myself of the contents of this affirmation and release by reading it before I signed it.
